

Donation Request Form

Each year, Lowe's Greenhouses allocates a budget to support community activities through contributions. We are pleased to do our part to assist your organization's programs. We do our best to fairly distribute our support to as many organizations as possible and ask that you complete this form. We generally donate a Landscape Consultation and Design valued at \$250. The recipient must have somehow indicated that they want this item – it cannot be used as a door prize or go to a random winner. We will not exchange the donation for any other products or services.

Once completed, please email this form to lisac@lowesgreenhouse.com.
